

Taylor'd Ergonomics Incorporated

ergo design workshop

www.taylordergo.com

Course length:
8 hours

What will you learn?

Participants will learn to implement effective ergonomics controls, using a step-by-step process.

You will learn to:

- Describe and use "anthropometric data"
- Use **design guidelines** (see list below) to identify the specifications of a solution. In particular, you will learn to apply the guidelines for height, reach, and clearance, through a variety of case studies.

The course includes detailed ergo design guidelines for the following:

- Carts
- Clearance
- Containers
- Controls
- Design for repair/maintenance
- Displays
- Floor surface
- Hand tool design
- Hand work
- Lighting
- Mechanical assists
- Personal protective equipment
- Reaches
- Seating
- Work design
- Work flow/conveyors
- Working height

What do participants get?

- Detailed course manual
- Quick reference guide, including design guidelines
- Lunches and refreshments

What is the cost?

Open enrolment fee: **\$425** + hst, per person. (We strive to provide training that is accessible to all. Please let us know how we can help. We welcome service animals and support persons required to assist those with a disability, at no extra charge.)

On-site cost: \$2150 + hst + materials (\$65/person, not including lunch/refreshments) + mileage/accommodation expenses.

Course customisation and post-course ergonomist support are also available at an additional cost. For a detailed quote, please contact us at 519 623 7733.

Who should attend?

- Plant engineers
- Equipment designers
- Health and safety professionals
- Ergonomics team members and ergo coordinators
- Occupational health nurses
- Kinesiology co-op students and ergonomists needing refresher training (course is taught by a Canadian Certified Ergonomist!)

How do I register?

Fax this form, with a purchase order number, to 519 623 9164, or **mail this form with a cheque**, to the address shown at the bottom of this page. Register and pay **online** at www.taylordergo.com. Your registration will be confirmed by email. Cancellations made within one week of the workshop will be subject to a \$100 charge. However, we welcome substitutions at any time, at no extra charge.

Please register me/us for the session in Cambridge on:

- May 28, 2014**
- October 7, 2014**

What distinguishes our training?

Key features that are common to all of our workshops:

- We let you know **what to expect in advance**. You will receive a confirmation letter telling you how to prepare for the workshop, and what to expect.
- Our energetic **course facilitators** are all ergonomists with training and experience in instructional techniques, who are genuinely interested in your learning.
- Our **objectives** are clear. At the beginning of each section, we tell you what you will be learning in that section.
- We **simplify** and make the material as user-friendly as possible!
- People really *learn* in our training, because we are committed to **skill-based training** based on adult learning principles.
- Quick references** ensure that key information is readily available after the training. We provide easy-to-use guides and checklists.
- Case studies allow **real-life application** of the course material.
- Our courses are **competency-based**, ensuring value for your investment. Certificates are available to those who complete the workshop project. (Letters to confirm attendance are issued to those who "audit" the course.)
- We **limit enrolment** to 12 people, to ensure lots of individual attention and ample opportunities for participation.
