

Taylor'd Ergonomics Incorporated

101 ergo solutions

www.taylordergo.com

Course length:

8 hours

What will you learn?

Participants will learn how to identify and implement ergonomics solutions for musculoskeletal (MSD) hazards.

You will learn to:

- Collect and use vendor information....we'll share our favourite products, from footrests to sit/stand tables, and from lift tables to hoists. If you have a special request, let us know in advance and we'll research it for you!
- Consider how simple machines (levers, pulleys, wheels, etc) might solve ergo your issues (We'll inspire you with case studies!)
- Apply ergo design guidelines for working heights, reaches and clearance
- Use mock ups to anticipate potential setbacks
- Use job coaching and posters to facilitate a smooth implementation

What do participants get?

- Detailed course manual
- Lunch and refreshments

What is the cost?

Open enrolment fee: **\$360** + hst, per person.

(We strive to provide training that is accessible to all. Please let us know how we can help. We welcome service animals and support persons required to assist those with a disability, at no extra charge.)

On-site cost: \$2150 + hst + materials (\$50/person, not including lunch/refreshments) + mileage/accommodation expenses.

Course customisation and post-course ergonomist support are also available at an additional cost. For a detailed quote, please contact us at 519 623 7733.

Who should attend?

- Health and safety professionals
- Ergo team members
- JHSC members
- Safety coordinators
- Maintenance staff with responsibility for implementing changes

How do I register?

Fax this form, with a purchase order number, to 519 623 9164, or **mail this form with a cheque**, to the address shown at the bottom of this page. Register and pay **online** at www.taylordergo.com. Your registration will be confirmed by email. Cancellations made within one week of the workshop will be subject to a \$100 charge. However, we welcome substitutions at any time, at no extra charge.

Please register me/us for the session in Cambridge on:

- March 30, 2017**
- October 26, 2017**

What distinguishes our training?

Key features that are common to all of our workshops:

- We let you know **what to expect in advance**. You will receive a confirmation letter telling you how to prepare for the workshop, and what to expect.
- Our energetic **course facilitators** are all ergonomists with training and experience in instructional techniques, who are genuinely interested in your learning.
- Our **objectives** are clear. At the beginning of each section, we tell you what you will be learning in that section.
- We **simplify** and make the material as user-friendly as possible!
- People really *learn* in our training, because we are committed to **skill-based training** based on adult learning principles.
- Quick references** ensure that key information is readily available after the training. We provide easy-to-use guides and checklists.
- Case studies allow **real-life application** of the course material.
- Our courses are **competency-based**, ensuring value for your investment. Certificates are available to those who complete the workshop quiz. (Letters to confirm attendance are issued to those who "audit" the course.)
- We **limit enrolment** to 12 people, to ensure lots of individual attention and ample opportunities for participation.
